

under 37 C.F.R. § 1.136(a), and any fees required therefor (including fees for net addition of claims) are hereby authorized to be charged to our Deposit Account No. 19-0036.

**Amendments**

***In the Claims:***

  
Please cancel claims 29-35, 40-43, 48-55, 60-69, 71 and 96-99.

Please substitute the following claim 27 for the pending claim 27:

C1  
27. (Thrice amended) An agglomerated eukaryotic cell culture medium powder prepared by agglomerating a dry powder eukaryotic cell culture medium with a solvent.

Please substitute the following claim 36 for the pending claim 36:

C2  
36. (Twice amended) The agglomerated eukaryotic cell culture medium powder of any one of claims 27 and 100-102, wherein said eukaryotic cell culture medium has a pH of between 7.1-7.5 when said medium is reconstituted with a solvent, wherein said solvent is water or serum.

Please substitute the following claim 37 for the pending claim 37:

C3  
37. (Twice amended) An agglomerated eukaryotic cell culture medium supplement powder prepared by agglomerating a dry powder eukaryotic cell culture medium supplement with a solvent.

Please substitute the following claim 39 for the pending claim 39:

C4  
39. (Twice amended) An agglomerated eukaryotic cell culture medium subgroup powder prepared by agglomerating a dry powder eukaryotic cell culture medium subgroup with a solvent.

Please substitute the following claim 44 for the pending claim 44:

C5 MD27  
44. (Twice amended) The agglomerated eukaryotic cell culture medium supplement powder of claim 37, wherein said dry powder eukaryotic cell culture medium supplement is serum.

Please substitute the following claim 45 for the pending claim 45:

C6  
45. (Once amended) The agglomerated eukaryotic cell culture medium supplement powder of claim 44, wherein said serum is bovine serum or human serum.

Please substitute the following claim 46 for the pending claim 46:

C7  
46. (Once amended) The agglomerated eukaryotic cell culture medium supplement powder of claim 45, wherein said bovine serum is fetal bovine serum or calf serum.

Please substitute the following claim 47 for the pending claim 47:

C8  
47. (Twice amended) The agglomerated eukaryotic cell culture medium supplement powder of claim 37, wherein said eukaryotic cell culture medium supplement powder comprises one or more nutritive medium components.

Please substitute the following claim 70 for the pending claim 70:

70. (Thrice amended) A kit for use in the cultivation of a cell, said kit comprising one or more containers wherein a first container contains the powder of any one of claims 27, 36, 37, 39, 44-47, 92-95 and 100-104.

Please substitute the following claim 95 for the pending claim 95:

95. (Once Amended) The medium powder of any one of claims 93-94, wherein the non-agglomerated medium powder is a lyophilized or ball-milled powder.

Please add the following new claims:

100. (New) An agglomerated eukaryotic cell culture medium powder of claim 27 prepared by agglomerating a dry powder eukaryotic cell culture medium with an acid or base into said powder.

101. (New) The agglomerrated eukaryotic cell culture medium powder of claim 100, wherein said powder comprises at least one buffer salt.

102. (New) The agglomerrated eukaryotic cell culture medium powder of claim 101, wherein said buffer salt is sodium bicarbonate.

103. (New) The agglomerrated eukaryotic cell culture medium powder of any one of claims 27, 37, or 39, wherein said solvent is water, serum, aqueous acid or base.
